

Next Generation Golf

The golfing companion App for the competitive recreational golfer

Next Generation Golf: Compete against other golfers across Canada, no matter on which course you play, or how well you play. Let our METAGOLF App track your performance. Qualify for our year-end tournament for cash and prizes.

TWO GAMES ON ONE

The Perfect Game

Golfers play solo against their own previous best score to hone their accuracy and skills while adding points to the Leaderboard.

Golf Stars

Golf Stars is METAGOLF's feature game. It's a game for two people competing head-to-head on the golf course. Games are auto-scored hole-by-hole as you enter your ball position information online through the app.

MAIN APP FEATURES

Game Lists

Create games and invite players. Play solo or head-to-head. Play on courses in our system.

Scorecards

Scoring is a percentage of shots made vs shots missed. When you follow the prompts to determine your middle of green distance, scoring is automatic within the App.

Profiles

Manage your preferences on your profile admin dashboard. The information you enter will create a public profile for others to see.

Leaderboard

Golfers will receive a placement on the leaderboard when their points are high enough to reach the top 16.

Year End Tournament

The top 16 METAGOLF golfers will qualify for the year-end tournament.

GOLFERS

Compete against other golfers across Canada, no matter on which course you play, or how well you play. Let our METAGOLF App track your performance. Qualify for our year end tournament for cash and prizes.

Navigate the App and take it for a test drive. When you are ready to play a game, pay your annual user fee of \$12.99 to get started on your race to the top of the leaderboard. Year-end cash and prizes for winners.

COURSE OWNERS

Get Involved: The METAGOLF App adds a new competitive feature to playing golf at your golf course.

Players using the App may play against their previous score or another player.

Employ the App in your league program to build enthusiasm.

Assigning just one evening per month to METAGOLF at your course is enough to generate enthusiasm for tee times for head-to-head competition.

Register Your Course: Register your course with MetaGolf and we will map your GPS co-ordinates hole by hole. It's free! Your course will then appear on our list of GPS-ready courses available for golfers to access through the App.

LEADERBOARD

Golfers receive a placement on the leaderboard when they have enough points to qualify for our year-end tournament.

Not on the leaderboard yet? Your score will always show in your profile so you can gauge how much golf you need to play to score enough points to make the tournament. Watch the leaderboard for the current standings of the top 16 golfers.

YEAR END TOURNAMENT

The METAGOLF App offers two different game types. As you play either game you will accumulate points. How points are awarded are explained on our rules page. Your point total becomes part of your profile and will place you on the leaderboard. The top 16 players on the leaderboard qualify for the year and tournament.

For the tournament, each top 16 player will be matched up head to head against another player. The winner of these matches will advance to the second round. This method is repeated until a champion is determined.

SPONSORS

Rotating Ads: As a sponsor, your ad can appear every time players finalize their games in the App. Ads rotate for 3- or 6-month intervals as per your choice. Your Sponsorship logo will appear on our website with a link back to your website. We will also provide you with a METAGOLF Sponsor button to link back to our App.

CAREERS
